

Future Com Announces New Vice President of Sales, Greg Christian!

Bedford, Texas – January 3, 2012

Future Com, Ltd. is pleased to announce the appointment of Greg Christian as Vice President of Sales.

Greg brings over 20 years of consultative sales and management experience to the company. Spanning the IT and wireless industries, Greg has compiled an exemplary track record that includes building dynamic sales teams, developing executive relationships and overachieving on sales objectives. Greg began his career with Digital Equipment Corporation and held a number of executive sales positions at Nokia Mobile Phones where he was instrumental in leading the company's tremendous growth. Regarding Future Com's future sales direction, his goal will be the strategic alignment of Future Com's broad array of solutions with the business goals of our clients. Greg holds a BS in Business Administration from Penn State University as well as completion of several Executive Development Programs conducted by the Harvard Business School. Greg and his family reside in Colleyville, Texas.

Located in Bedford, Texas, Future Com, Ltd. has been a leader in the network foundation, performance and security space since its inception in 1991. A privately held company, Future Com is an integrator of top industry partners, selling customized best fit solutions to suit any of today's network needs.
